myhealingpartner.com

Service: The Alliance Institute for Integrative Medicine (AIIM), a Health Alliance affiliate, is a holistic-based healing and wellness center. The physicians at AIIM do not view alternative or conventional medical treatments as an either/or approach. Rather, they believe in the use of healing techniques that integrate the best of both worlds, based on *what works*. AIIM offers acupuncture, chiropractic care, therapeutic massage, mind-body relaxation exercises and other healing techniques that are designed to help address patients' comfort level, physical and emotional needs. Physicians at AIIM are careful to point out that the expectation of integrative medicine is not to *cure* cancer, but rather to utilize these therapies to improve an individual's quality of life. Renewal classes and workshops offered throughout the year. Gift certificates are available.

III. Emotional and Spiritual Support

This section focuses on resources available to help individuals, families and friends cope with the cancer experience. The support group section is divided into two sections. The first section is entitled, “General,” and it refers to groups that are inclusive of anyone who is experiencing cancer. The second section is entitled “Specific Cancers” and it refers to groups that are exclusive to a particular type of cancer. The specific cancer section is categorized according to body systems.

A. Support Groups

- General
- Bone and Muscle Cancer
- Breast Cancer
- Brain/Neurologic Cancer
- Digestive and Urological System
- Lung/Throat Cancer
- Prostate Cancer
- Blood and Marrow Transplant
- Cancer Survivors

B. Camps

- Local Camps
- Regional Camps

www.curesearch.com (Web site)

Service: The NCCF supports research conducted by a network of institutions, each of which has a team of doctors, scientists and other specialists with the special skills required for the diagnosis, treatment, supportive care and research on the cancers of infants, children and young adults. Advocating for children with cancer and the centers that treat them is also a focus of the NCCF. A limited selection of Spanish-language publications is available.

National Web Sites

National Coalition for Cancer Survivorship (NCCS)

1010 Wayne Avenue, Suite 770

Silver Spring, MD 20910

1-877-622-7937

info@canceradvocacy.org (e-mail)

www.canceradvocacy.org (Web site)

Service: NCCS is a network of groups and individuals that offer support to cancer survivors and their loved ones. It provides information and resources on cancer support, advocacy and quality of life issues. A section of the NCCS web site and a limited selection of publications are available in Spanish.

National Health Information Center

Department of Health and Human Services

P.O. Box 1133

Washington, D.C. 20013-1133

1-800-336-4797

www.health.gov/nhic

Service: The National Health Information Center Department of Health and Human Services is a referral service for public and private organizations, open daily 9 a.m. to 5 p.m., Monday through Friday. Copies of health literature topics and web information are available.

National Hospice Organization (NHO)

1700 Diagonal Road, Suite 625

Alexandria, VA 22314

1-800-658-8898

info@nhpco.org (e-mail)

www.nho.org (Web site)

Service: The NHO is an association of groups that provide hospice care. It is designed to increase awareness about hospice services and to champion the rights and issues of terminally ill patients and their family members. They offer discussion groups, publications, information about how to find a hospice and information about the financial aspects of hospice. Some Spanish-language publications are available, and staff are able to answer calls in Spanish.

National Library of Medicine

8600 Rockville Pike

Bethesda, MD 20844

1-888-FIND-NLM (346-3656)

www.nlm.nih.gov

Service: The National Library of Medicine provides up-to-date quality information on consumer health from one of the largest medical libraries.

National Web Sites

National Lymphedema Network (NLN)

Latham Square

1611 Telegraph Avenue, Suite 1111

Oakland, CA 94612-2138

1-800-541-3259

nln@lymphnet.org (e-mail)

www.lymphnet.org (Web site)

Service: The NLN provides education and guidance to lymphedema patients, health care professionals and the general public by disseminating information on the prevention and management of primary and secondary lymphedema. They provide a toll-free support hotline, a referral service to lymphedema treatment centers and health care professionals, a quarterly newsletter with information about medical and scientific developments, support groups, pen pals, educational courses for health care professionals and patients and a computer database. Some Spanish-language materials are available.

National Marrow Donor Program

3001 Broadway Street, NE, Suite 500

Minneapolis, MN 55413

1-800-MARROW-2 (1-800-627-7692)

www.marrow.org (Web site)

Service: The National Marrow Donor Program, which is funded by the Federal Government, was created to improve the effectiveness of the search for bone marrow donors so that a greater number of bone marrow transplantation can be carried out. It keeps a registry of potential bone marrow donors and provides a packet of information on bone marrow transplantation.

National Ovarian Cancer Coalition (NOCC)

500 North East Spanish River Blvd., Suite 8

Boca Raton, FL 33431

1-888-OVARIAN (1-888-682-7426)

NOCC@ovarian.org (e-mail)

www.ovarian.org (Web site)

Service: The NOCC raises awareness about ovarian cancer and promotes education about this disease. They have a toll-free telephone number for information, referral, support and education about ovarian cancer. They also offer support groups, a database of gynecologic oncologists searchable by state and educational materials. A limited selection of Spanish-language publications is available.

National Web Sites

Patient Advocate Foundation (PAF)
